<sup>2</sup> Capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Initial Retention Application.

### **Jurisdiction**

8. The United States Bankruptcy Court for the Southern District of New York (the “**Court**”) has jurisdiction to consider this Application pursuant to 28 U.S.C. §§ 157 and 1334 and the Amended Standing Order of Reference M-431, dated January 31, 2012 (Preska, C.J.). This is a core proceeding pursuant to 28 U.S.C. § 157(b) and, pursuant to Bankruptcy Rule 7008, the Debtors consent to entry of a final order by the Court in connection with this Application to the extent that it is later determined that the Court, absent consent of the parties, cannot enter a final order or judgment consistent with Article III of the United States Constitution. Venue is proper before the Court pursuant to 28 U.S.C. §§ 1408 and 1409.

### **Relief Requested**

9. By this Supplemental Application, pursuant to 327(a), 328(a) and 1107 of the Bankruptcy Code, Bankruptcy Rules 2014 and 2016(a), and Rules 2014-1 and 2016-1 of the Local Rules, and the Retention Order, the Debtors request entry of an order, (a) authorizing AlixPartners, LLP (“**AlixPartners**”) to provide additional services under the terms described in the addendum for eDiscovery consulting services dated March 18, 2021 attached hereto as **Exhibit A** (the “**Third Addendum**”), and (b) granting related relief. In support of this Supplemental Application, the Debtors submit the declaration of Lisa Donahue, a Managing Director of AlixPartners (the “**Donahue Declaration**”), which is attached hereto as **Exhibit B**.

10. A proposed form of order granting the relief requested herein is annexed hereto as **Exhibit C** (the “**Proposed Order**”).

### **Supplemental Retention of AlixPartners**

11. The relief sought herein relates to eDiscovery consulting services required by the Debtors. More specifically, AlixPartners will host for download the various productions made by the Debtors in connection with the Debtors’ confirmation process. AlixPartners will also

create a managed site for all confirmation parties to allow them securely download these productions.

12. AlixPartners is an internationally recognized restructuring and turnaround firm, and, together with its affiliates has substantial experience in providing financial advisory and interim management services, including eDiscovery consulting services, and has an excellent reputation for services it has rendered in large and complex chapter 11 cases on behalf of debtors and creditors throughout the United States.

13. AlixPartners is both qualified and able to provide the Additional Services (as defined below).

14. As such, the Debtors seek approval for AlixPartners to provide the services outlined in the Third Addendum and this Supplemental Application.

#### **Services to be Provided**

15. As set forth in the Third Addendum, AlixPartners will provide eDiscovery consulting services. More specifically, AlixPartners may work to, among other things:

- Develop and provide a secure data repository according to specifications provided by the Company.
- Coordinate and implement data collection and transfer processes.
- Prepare and make available for download documents identified by the Company in accordance with requested production specifications.
- Assist the Company with such other matters as may be requested by the Company that are within AlixPartners' expertise and are mutually agreeable.

(collectively, the “**Additional Services**”).

16. The Debtors submit that the Additional Services do not duplicate services being provided to the Debtors by other professionals in the Chapter 11 Cases. The Debtors have not hired any other professionals to perform the Additional Services.

**Professional Compensation**

17. The Supplemental Agreement will not change the overall structure of AlixPartners' retention as approved in the Retention Order and further discussed in the Initial Retention Application. AlixPartners intends to apply for compensation for professional services rendered and reimbursement of expenses incurred in connection with the Third Addendum in the same manner as the procedures approved in the Retention Order. To be clear, in connection with services performed under the Third Addendum, AlixPartners shall file applications for interim and final allowance of compensation and reimbursement of expenses pursuant to the procedures set forth in sections 330 and 331 of the Bankruptcy Code, such Bankruptcy Rules and Local Bankruptcy Rules as may then be applicable, U.S. Trustee Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330 (Appendix A to 28 C.F.R. § 58) (the "**U.S. Trustee Guidelines**"), and any applicable orders and procedures of this Court. For billing purposes, AlixPartners shall keep its time in one tenth (1/10) hour increments in accordance with the U.S. Trustee Guidelines. AlixPartners also intends to make a reasonable effort to comply with the U.S. Trustee's requests for additional information both in connection with the Supplemental Application and the interim and final fee applications to be filed by AlixPartners in the Chapter 11 Cases.

18. AlixPartners' current standard hourly rates for 2021 are as follows:

<b>Title</b>	<b>Hourly Rate</b>
Managing Director	\$1,030 – \$1,295
Director	\$825 – \$980
Senior Vice President	\$665 – \$755
Vice President	\$485 – \$650

Consultant	\$180 – \$480
Paraprofessional	\$305 – \$325

19. AlixPartners reviews and revises its billing rates on January 1 of each year. Changes in applicable hourly rates will be noted on the invoices for the first time period in which the revised rates became effective.

20. Certain monthly hosting fees and consulting fees will apply to the eDiscovery services, as further detailed and outlined by the Third Addendum.

21. In addition to compensation for professional services rendered by AlixPartners Personnel, AlixPartners will seek reimbursement for reasonable, necessary, and documented out-of-pocket expenses incurred in connection with the chapter 11 cases, including transportation costs, lodging, and meals.

22. The fee structure above laid out in the Initial Retention Application and in the Third Addendum appropriately reflects the nature of the respective services, and is consistent with, and typical of, arrangements entered into by AlixPartners and other comparable firms with respect to rendering comparable services for clients similar to the Debtors. The fee structure includes reasonable terms and conditions of employment and should be approved by the Court.

#### **Indemnification**

23. Any indemnification provisions in the Third Addendum are identical to indemnification provisions contained in the Engagement Letter.

#### **AlixPartners' Disinterestedness**

24. AlixPartners has represented that it is not a creditor, equity security holder or insider of the Debtor, nor was it an officer, director or employee of the Debtors within two years of the Petition Date. Any additional personnel that will be brought on by AlixPartners to provide

the Additional Services are covered under the same conflicts check described in the Initial Retention Application and the Supplemental Declarations filed by AlixPartners (Docket Nos. 578, 671, 678, 1859, 2137, and 2468). Finally, AlixPartners has represented that it does not hold an interest adverse to the Debtors or any class of creditors or interest holders. Therefore, to the best of the Debtors' knowledge, information and belief, and except to the extent disclosed herein and in the Donahue Declaration, AlixPartners (i) is a "disinterested person" within the meaning of section 101(14) of the Bankruptcy Code, (ii) has no connection with the Debtors, their creditors, or other parties in interest, or the attorneys or accountants of the foregoing, or the U.S. Trustee or any person employed by the U.S. Trustee; and (iii) does not hold any interest adverse to the Debtors' estates.

25. To the extent that any new relevant facts or relationships bearing on the matters described herein during the period of AlixPartners' retention are discovered or arise, the Debtors are advised that AlixPartners will use reasonable efforts to promptly file a supplemental declaration.

#### **Basis For Relief Requested**

26. Section 327(a) of the Bankruptcy Code authorizes a debtor in possession to employ professionals that "do not hold or represent an interest adverse to the estate, and that are disinterested persons." 11 U.S.C. § 327(a). As discussed above, AlixPartners satisfies the disinterestedness standard of section 327(a).

27. The Debtors have specifically selected AlixPartners to provide the Additional Services based on AlixPartners' qualifications, prior experience in assessing the value of franchise agreements, their ongoing retention in these cases, and their knowledge of the Debtors' operations and estates.

28. The Debtors believe that AlixPartners is warranted to provide the Additional Services as a result of the circumstances presented by these cases. If AlixPartners is not approved to provide the Additional Services, Debtors would be forced to search for additional professionals to aid them with electronic discovery efforts, resulting in possible delay, incremental costs, and further detrimental effects to the Debtors' estates.

29. Except as set forth in the Initial Retention Application (and all declarations attached thereto), the Donahue Declaration, and any related supplemental declarations, AlixPartners continues (i) to be a "disinterested person" within the meaning of section 101(14) of the Bankruptcy Code, (ii) have no connection with the Debtors, their creditors, or other parties in interest, or the attorneys or accountants of the foregoing, or the Office of the U.S. Trustee or any person employed in the Office of the U.S. Trustee; and (iii) not hold any interest adverse to the Debtors' estates.

30. Therefore, the Debtors submit that entry of an order approving AlixPartners to provide additional services pursuant to the Third Addendum is in the best interests of the Debtors and their estates and is a sound exercise of the Debtors' business judgment.

#### **Notice**

31. Notice of this Supplemental Application will be served on any party entitled to notice pursuant to Bankruptcy Rule 2002 and any other party entitled to notice pursuant to Local Rule 9013-1(b).

#### **No Prior Request**

32. No prior request for the relief sought in this Supplemental Application has been made to this or any other court.

WHEREFORE the Debtors respectfully request entry of the Proposed Order granting the relief requested herein and such other and further relief as the Court may deem just and appropriate.
